Care

Compassion

Courage

Communication

Commitment

Competence

Critical thinking

A compassionate, motivated and enthusiastic staff nurse who always ensures the best care for her patients. My training and experience are in working with patients with acute and chronic conditions and emergency medical care. I am NMC registered, have an advanced nursing degree and references to confirm my skills and experience. My intention is to further my studies in the treatment of patients with acute and chronic conditions.

Work experience

Staff Nurse

Nov 2015 - Present

Nottingham University Hospitals NHS Trust – City Campus, Nottingham, Nottinghamshire

The day to day care of adult female and male patients with acute and chronic medical conditions within a busy environment.

Duties include -
